2011 A/C Tune-Up Service Provider List

Rev: ACTU October 2011

Note to Customers: LG&E and KU do not warrant or guarantee the work or services performed by participating companies listed.

To receive discounts, A/C Tune-Ups must be completed by a participating company. When calling a participating company, notify them that you are requesting the A/C Tune-Up recommended as a result of the A/C Test. Notifying the participating company ensures it will follow the program requirements (e.g. A/C Tune-Up Customer Report, payment processing, etc.). Questions, comments, or concerns call 1-800-356-5467.

2011 A/C Tune-Up Service Provider List

Rev: ACTU October 2011

Note to Customers: LG&E and KU do not warrant or guarantee the work or services performed by participating companies listed.

To receive discounts, A/C Tune-Ups must be completed by a participating company. When calling a participating company, notify them that you are requesting the A/C Tune-Up recommended as a result of the A/C Test. Notifying the participating company ensures it will follow the program requirements (e.g. A/C Tune-Up Customer Report, payment processing, etc.). Questions, comments, or concerns call 1-800-356-5467.
