

LG&E
SMART SAVER
TIP #10

To save
a ho-ho-ho lot
of money, use
LED lights.

Energy-efficient LED holiday lights are just as colorful and festive as standard lights. But they last much longer, stay cool to the touch, and use 75% less energy! So deck the halls. But this year, do it with LED lights and save. For more great Smart Saver tips, visit eon-us.com.
